Painting
Freehand Drawing

Certifications:

LEED 2.0 certified
Architectural Registration Exams eligible

Computer Experience:

3D Studio Max 5.0
Adobe Illustrator 10.0
AutoCAD 2000
Microsoft Word 2000
Photoshop 6.0

Future Professional Goals:

To continue to learn and grow.
To make a meaningful contribution as a team member in a practice.
To understand buildings in an urban design context.
To continue to hone my skills as a craftsman in wood and as a person who is
interested in accoustics, as it relates to my passion for historic pipe-organ music.
